

**MORNINGTON
SHIRE COUNCIL**

EMPLOYMENT OPPORTUNITY

AUTO ELECTRICIAN

This position is residential, based on Mornington Island.

About the position

We have an exciting opportunity for a reliable, experienced trade qualified Auto Electrician. This role will provide our customers with excellent service maintaining and repairing a variety of vehicles.

You will work with minimal supervision at Council workshop, in the field and at work sites.

You'll undertake work such as:

- Fault finding and diagnosis
- Dismantling, checking, repairing and re-assembling electrical components and parts
- Performing log-book servicing of vehicles
- Checking and monitoring equipment to achieve required performance.

Requirements:

- Relevant Trade Qualification
- A minimum of three years' Auto Electrical experience
- Manual Driver's License
- Experience in the repair and maintenance of a variety of makes and types of vehicles, from light vehicles, commercial vehicles and heavy equipment
- Demonstrated strong fault-finding skills using manual and scanning tools
- Demonstrated ability to work effectively as part of a small team and without close supervision
- Mechanic experience would be an advantage
- Air-conditioning license is preferred.

Benefits and perks

- Remuneration negotiated based on experience, skills, and qualifications.
- 12% Superannuation
- 6 weeks leave per year
- 2 flights to Cairns, Townsville or Mt Isa per year
- Subsidised housing will be provided
- This is a full-time, permanent position

To apply, please forward a cover letter addressing the job criteria and your CV to hr@mornington.qld.gov.au or online via Seek [HERE](#).
