# **Executive Summary**

We remain solvent draft cashflow forecast completed

Grant applications are being prepared in to provide funding for projects into next year.

Debtors have now reached a stage where a list of debts will be prepared for "write off" at the December Council Meeting and a list to be subject to legal action.

With the 2022 Audit finalised we were able to update our opening balances and provide more accurate figures.

The implementation of Local Buy and Procedures should improve stock and ordering efficiency

We have been advised that VAC2 will be finalised by 31 December

2022 Audit is almost complete and was delayed due to numerous errors that were discovered in prior years. These have been calculated at ?????? The 2023 financial statements are now being prepared to be audited in the new year. The 2022 Audited Financial Statements should be ready for the next Council meeting in January 2024

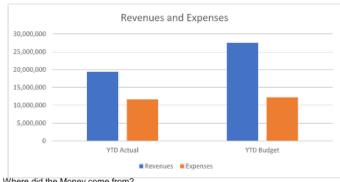

Valuations will be presented to the January Council Meeting for adoption. During the audit process these have been corrected as required.

Q Build invoicing will be the finance team's main focus as the lack of funds from this enterprise is having a detrimental affect on Council's finances.
